-  Information point
-  Migration route
-  International boundaries

Burkina Faso, Chad, Mali, Niger: Returns impacted by border closures. 2,500 migrants waiting in IOM Transit Centres

Cameroon: 830 individuals stranded at various official and unofficial points of Entry between Cameroon and Chad

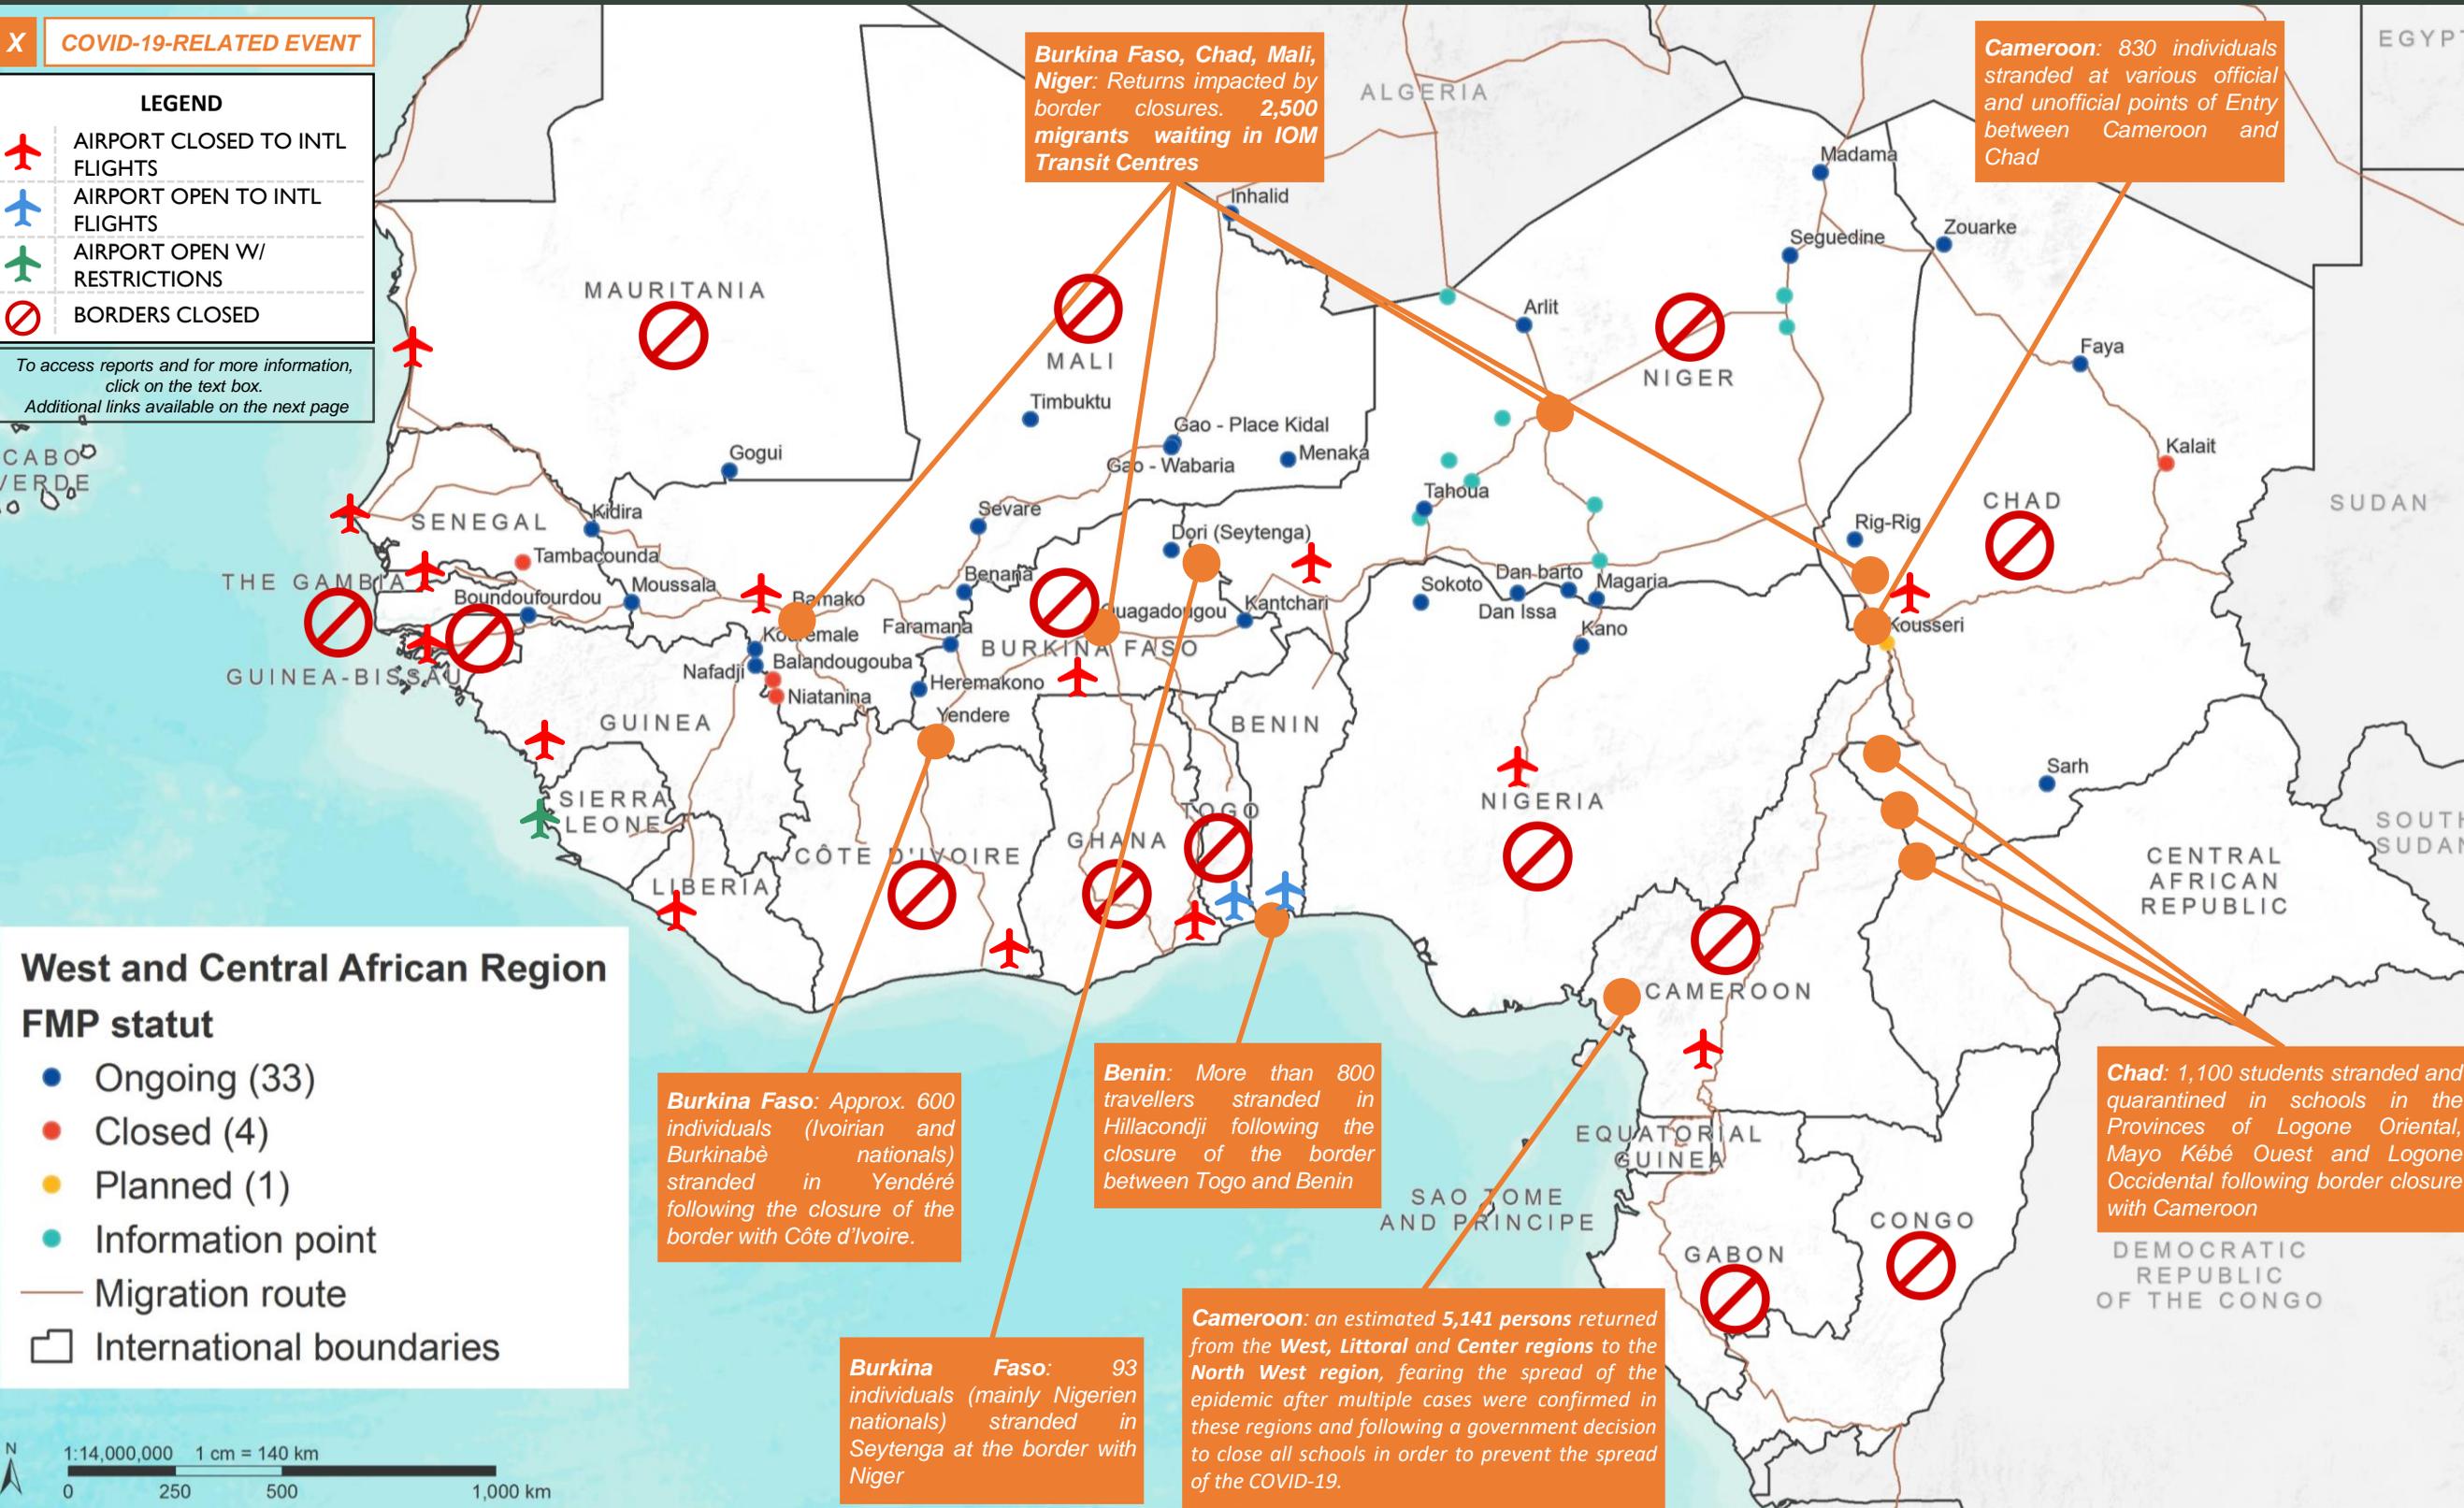

Burkina Faso: Approx. 600 individuals (Ivoirian and Burkinabè nationals) stranded in Yendéré following the closure of the border with Côte d'Ivoire.

Benin: More than 800 travellers stranded in Hillacondji following the closure of the border between Togo and Benin

Burkina Faso: 93 individuals (mainly Nigerian nationals) stranded in Seytenga at the border with Niger

Cameroon: an estimated 5,141 persons returned from the West, Littoral and Center regions to the North West region, fearing the spread of the epidemic after multiple cases were confirmed in these regions and following a government decision to close all schools in order to prevent the spread of the COVID-19.

Chad: 1,100 students stranded and quarantined in schools in the Provinces of Logone Oriental, Mayo Kébé Ouest and Logone Occidental following border closure with Cameroon
