SITE PROFILE | Bentiu PoC
01 - 15 June 2017

SOUTH SUDAN
CAMP COORDINATION AND CAMP MANAGEMENT

Context

Bentiu protection of civilian (PoC) site was established in December 2013 with 114,537 people seeking protection in the site. Humanitarian partners and UNMISS are working together with the community to improve the living condition in the PoC area.
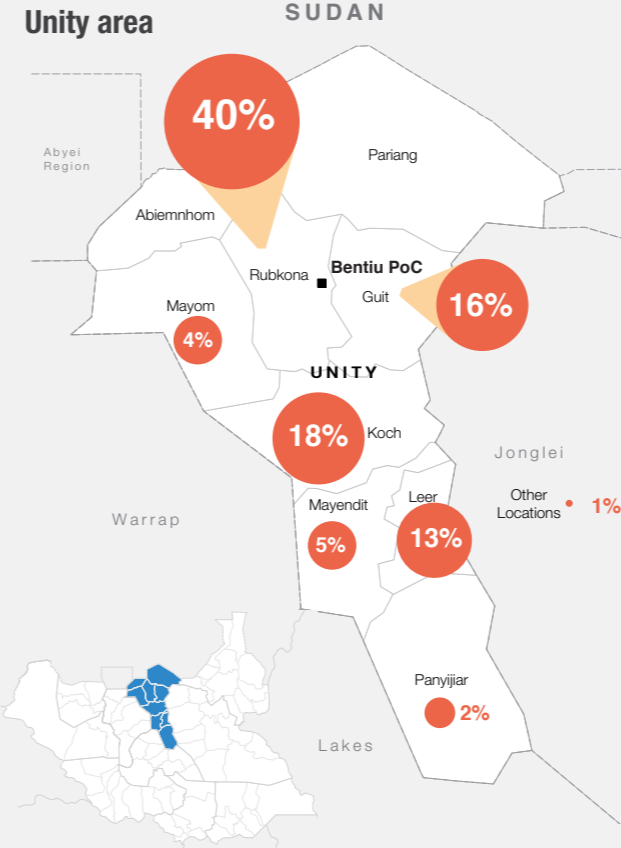

Current priority needs

1. Registration of new arrivals
2. Repair of damaged shelters
3. Increase Water provision

Sector overview

Humanitarian Hub Accommodation

*Biometrically registered population: cumulative number of individuals registered biometrically in the PoC.

**Population count: estimates the number of individuals residing in the PoC by taking into account the number of people who stay overnight in each shelter during a 3 day exercise conducted twice a month.
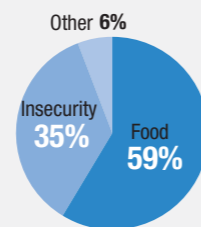

The population count is the estimated camp population for which the standard indicators are calculated.
