

Yirol East County, Lakes State

DTM focal points conducted emergency Event Tracking assessments in Adior and Malek payams of Yirol East County on 6 September 2020, to collect information on locations of displacement, urgent needs and demographic profiles of households displaced as a result of flooding. Reports confirmed that 8,294 individuals (1,821 households) were displaced to seven locations (Adior Centre, Pacholm Kuc, Madol, Lang, Thian and Wuitit) in Adior and Malek payams of Yirol East, Lakes State.

The displaced are said to have found refuge among the host community in their various locations of displacement. Humanitarian agencies are urged to provide assistance by the local community. Health, sanitation, shelter and NFIs are among the most urgent needs identified.

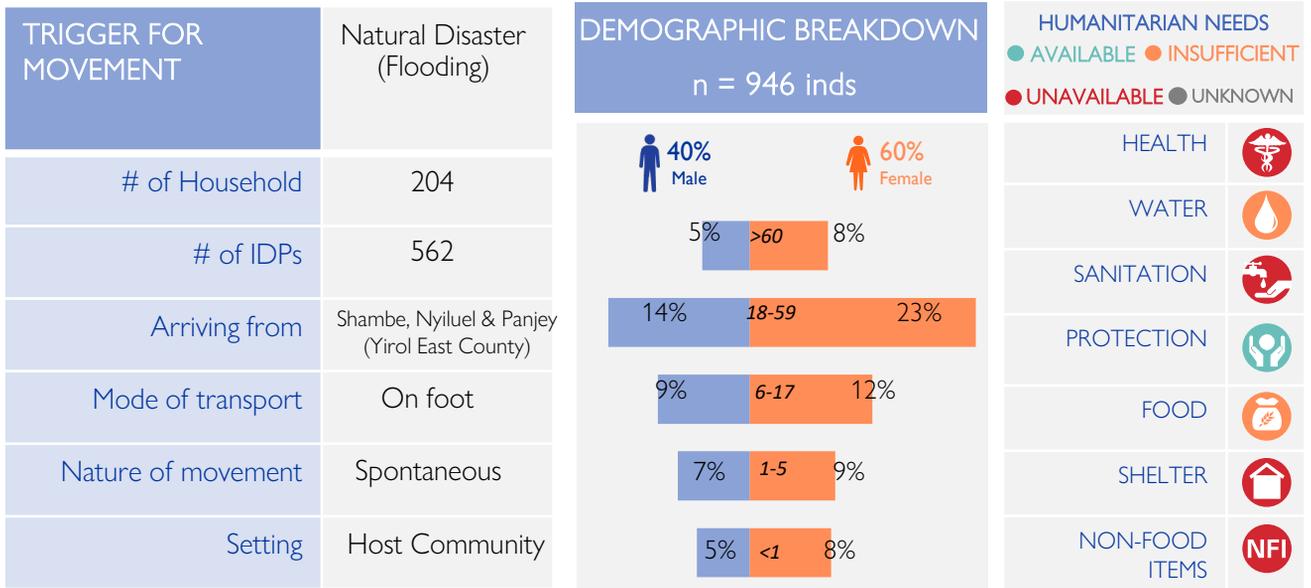

Assessment Date	Location	Main trigger for movement	IDPs (Households)	IDPs (individuals)	Setting
6 September 2020	Adior Centre	Natural Disaster (Flooding)	204	562	Host Community
6 September 2020	Pachol	Natural Disaster (Flooding)	75	418	Host Community
6 September 2020	Kuc	Natural Disaster (Flooding)	74	602	Host Community
6 September 2020	Madol	Natural Disaster (Flooding)	56	249	Host Community
6 September 2020	Lang	Natural Disaster (Flooding)	731	3,403	Host Community
6 September 2020	Thian	Natural Disaster (Flooding)	640	2,952	Host Community
6 September 2020	Wuitit	Natural Disaster (Flooding)	41	108	Host Community

IOM DTM employs Event Tracking as a more rapid and localized assessment tool complementing overall efforts to report on IDP and returnee figures nationally (see Mobility Tracking reports and maps on displacement.iom.int/south-sudan). IOM teams access IDP / returnee locations and consult local key informants including community representatives, local authorities or humanitarian partners and triangulate findings to provide partners with the most accurate as possible, actionable and current data.
