Latest attacks affected 539 individuals, including 26 injuries and 8 fatalities, in Chikun, Giwa LGAs of Kaduna State, Faskari, Sabuwa LGAs of Katsina State and Bungudu, Anka LGAs of Zamfara State between the 09 - 15 November, 2020. The attacks caused people to flee to neighboring localities.

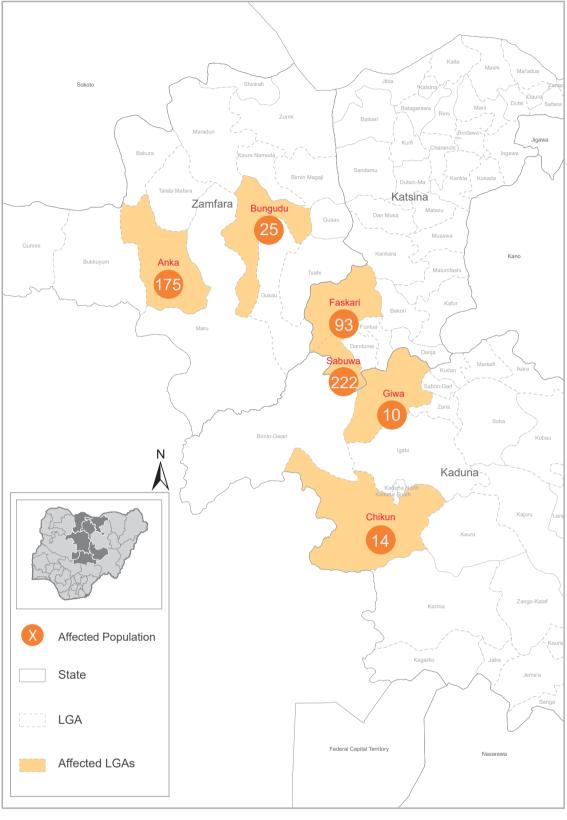

A rapid assessment was conducted by field staff to assess the impact on people and immediate needs.
