Households

3,472
Individuals

14
Damaged Shelters

10
Damaged Toilets

10
Damaged Shower Points

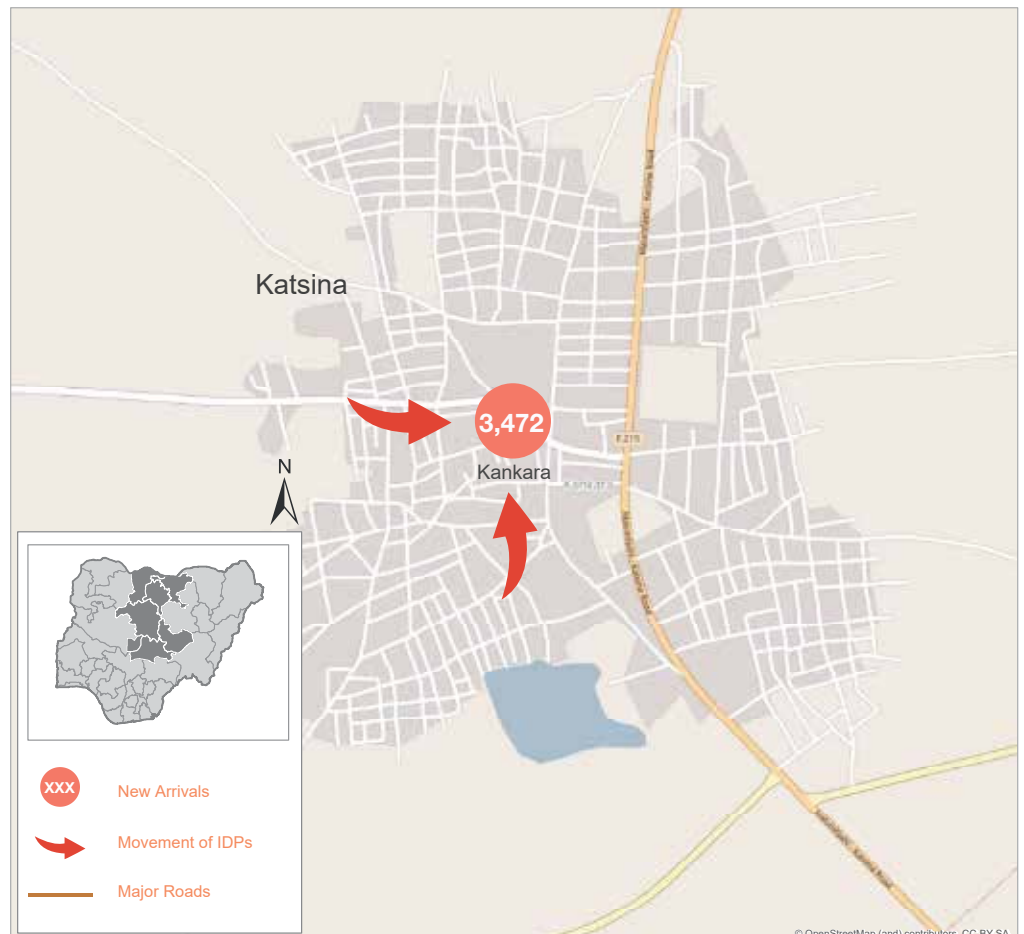

MAJOR NEEDS

**Shelter, NFI
Food
Sanitation kits**

As a result of frequent attacks in the North West/ North Central zones, many residents have departed their homes for safety in nearby camps and host communities where there is provision for security.

Between the 26th and 27th of November, 2020 in Kankara LGA of Katsina State, there was a massive displacement of people in Gatakawa, Zurunkutu and Dan Nakwaguzo Villages. An estimate of 3,472 individuals were reported to have arrived Kankara town with many more still fleeing for fear of attack.

A rapid assessment was conducted by field staff to assess the impact on the people and immediate needs.

The maps in this report are for illustration purposes only. The depiction and use of boundaries, geographic names, and related data shown on maps and included in this report are not warranted to be error free nor do they imply judgment on the legal status of any territory, or any endorsement or acceptance of such boundaries by IOM

The key trigger for the population movement was attributed to recent increase in attacks and fear of attack in the ward. 26 injuries and 10 casualties were reported. The new arrivals are in major need of shelter, NFI , Food and Sanitation kits.

NEW ARRIVALS (TABLE 1)

State	LGA	Cause of Incident	Number of Affected Households	Number of Affected Individuals	Number of Casualties	Male	Female	Children
Katsina	Kankara	Attacks	440	3,472	12	1,378	2,094	966
