DISPLACEMENT TRACKING	WEEKLY UPDATE	IDP HH WHO LEFT DISPLACED LOCATIONS	Displaced People
DTM's Rapid Displacement Tracking (RDT) tool collects and reports on numbers of households forced to flee on a daily basis, allowing for regular reporting of new displacements in terms of numbers, geography and needs.	Between 31 January and 6 February, newly displaced households were recorded in Taizz (45 HH), Marib (37 HH), and Al Dhale'e (28 HH). Most of these displacements were the result of increased fighting in Al Hudaydah (31 HH), Taizz (26 HH) and Al Dhale'e (22 HH).	Since the beginning of 2021, DTM also identified other 17 previously displaced households who left the displaced location and moved to either their place of origin or some other displaced location.	<p>731 Households 4,386 Individuals</p> <p>*Reported during Jan 01 - Feb 06, 2021</p>
			<p>UPDATE: Additional 8 HHs were displaced between Jan 24 - Jan 30, 2021, and have been added in the total households.</p>
			<p>Returned People 46 Households 276 Individuals</p> <p>*Reported during Jan 01 - Feb 06, 2021</p>
