

 Assessment conducted in
 affected areas

The objective of the Emergency Tracking Tool (ETT) is to collect information on large and sudden population movements. Information is collected through key informant interviews or direct observation. This dashboard provides information on displacement which occurred on 4 and 10 March 2021 in two sites of Lac Province.

 Assessment conducted
 through phone interviews
 with key informants

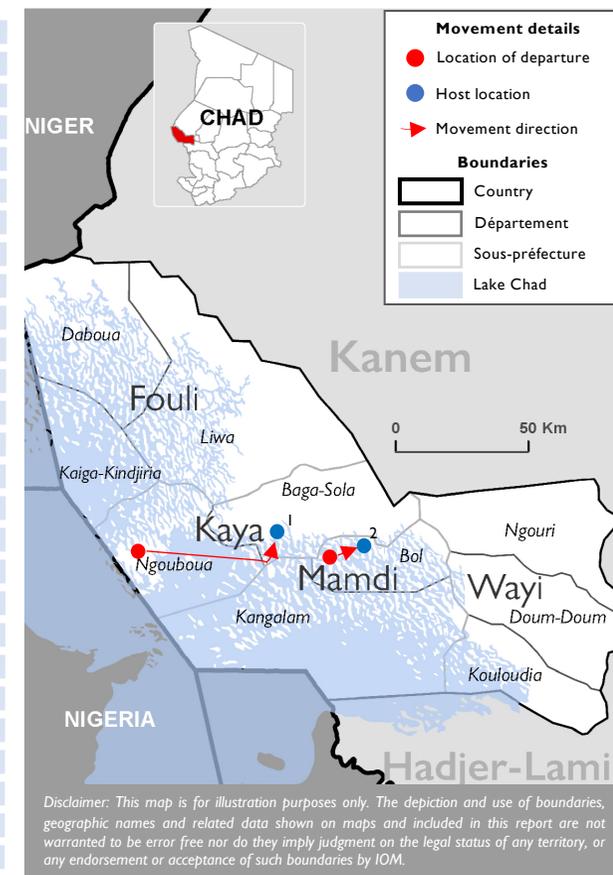

SUMMARY OF EVENT

DISPLACED POPULATION:

4,400 Internally Displaced Persons, 915 Households (estimates)

- On **4 March 2021**, with **insecurity growing in Lac Province** (due to the multiplication of attacks by Non-State Armed Groups), **730 households (3,650 individuals)** preventively fled the villages of **Bourboura, Torbo, Tchoukoupapi and Kangalia (Ngouboua sous-préfecture, Kaya département)** for the site of **Baboul 2 (Baga-Sola sous-préfecture, Kaya département)**.
- On **10 March 2021**, following **abductions** by Non-State Armed Groups which occurred on 4 March 2021 in the **Bol sous-préfecture (Mamdi département)**, **185 households (750 individuals)** preventively fled the villages of **Ngualéa, Selia, Fidia, Koukoua and Ngalerom (located on the islands of Lake Chad)** for the site of **Marr located on the mainland (in the same sous-préfecture)**.
