On 02 March 2022, a fire outbreak was reported at Muna El Badawy Camp in Jere LGA of Borno State. This is only two weeks since the last incident. The fire damaged and destroyed shelters and belongings of numerous IDP households.

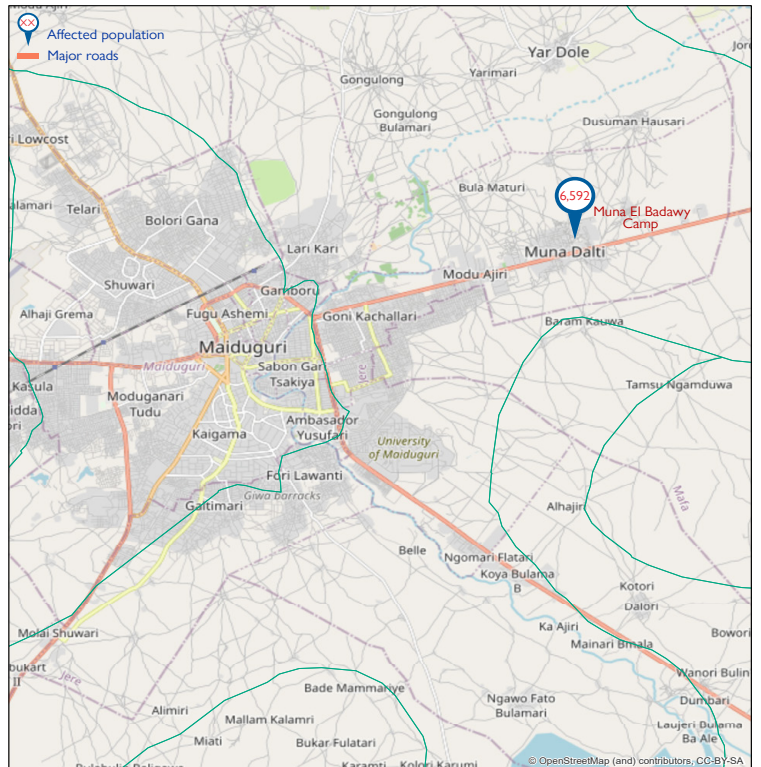

The fire incident fully destroyed 206 temporary shelters, affecting a total of 1,034 individuals in 197 households. The affected individuals included 536 children, 269 women and 229 men.

Needs

The victims of the fire outbreak are currently residing with friends and relatives in the camp while they are attempting to rebuild their shelters. They are in desperate need of shelter assistance. Other needs include food and NFIs.

Response

At the time of writing, no assistance has been rendered to the affected population.
