On 27 March 2022, a fire outbreak was reported at Sulumri Bakin Kwalta Camp in Maiduguri M.C. LGA of Borno State. The fire damaged and destroyed shelters and belongings of numerous IDP households.

The fire incident fully destroyed 69 emergency shelter, 14 temporary shelters, affecting a total of 482 individuals in 91 households. The affected individuals included 276 children, 115 women and 91 men.

Additionally, four goats died in the fire outbreak and other properties were destroyed. A block of shower and toilets were partially damaged by the fire.

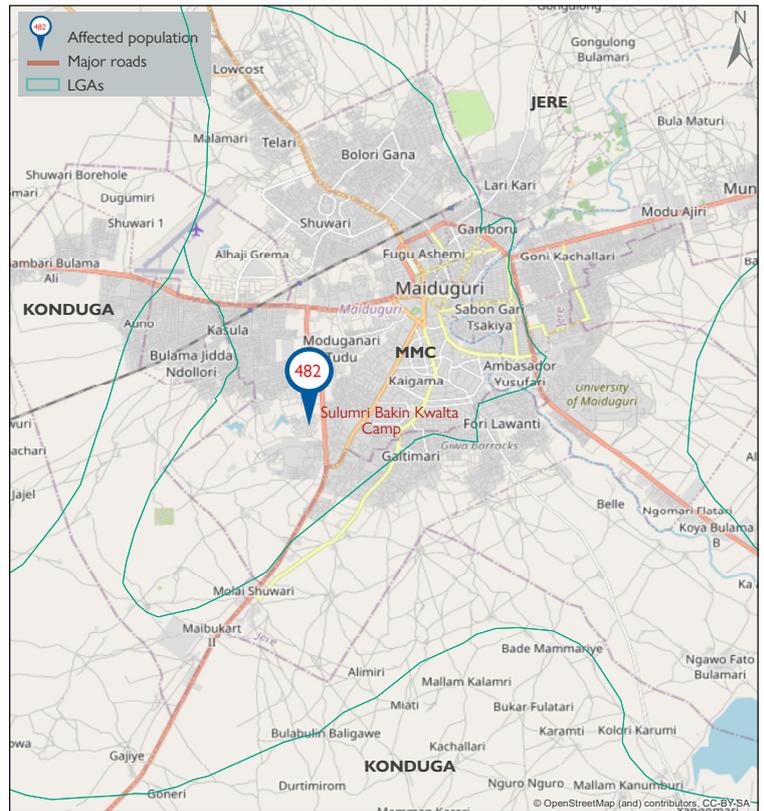

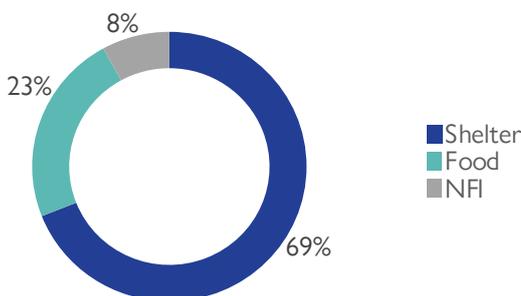

Needs

The victims of the fire outbreak are currently residing with friends and relatives in the host community while they are attempting to rebuild their shelters. They are in desperate need of shelter assistance. Other needs include food and NFIs.

Response

At the time of writing, no assistance has been rendered to the affected population.
