Number of displaced individuals identified by Emergency Tracking since 17 October

### Notes from November 2:

- Approximately 84 families from Abu Jarboa'a village (Baashiqah sub-district) moved to Zeilkan camp after passing through security clearances
- Approximately 95 families from al-Shura and al-Nimrod sub-districts passed through the security screening at the entrance of Qayyarah Jad'ah camp and then moved into the camp. Reportedly they are sheltered in rub halls.

Where are people coming from?  
Number of individuals displaced, by district of origin

Where are people displaced to?  
Number of individuals displaced, by current district of residence

\*Emergency tracking numbers are not cumulative. They reflect a snapshot of displacement on the day of reporting. The number of individuals is calculated by multiplying the number of identified families by six, which is the average size of an Iraqi family.

The IOM Iraq Displacement Tracking Matrix (DTM) is the standard data source being used in Iraq to guide the humanitarian response. Emergency tracking for the Mosul operations began identifying people displaced resulting from military actions that began on 17 October.
