

**Total number of displaced individuals as of today: 17,916\***

**Number of displaced individuals identified by Emergency Tracking since 17 October**

**Notes from October 31:**

- Figures about new displacement to Mosul and Hamdaniya districts are being verified and will be included in the next update;
- 28 families from Mosul arrived to Bezabize Central Camp in Anbar.

\*Emergency tracking numbers are **not** cumulative. They reflect a snapshot of displacement on the day of reporting. The number of individuals is calculated by multiplying the number of identified families by six, which is the average size of an Iraqi family.

**Where are people coming from?**  
Number of individuals displaced, by district of origin

**Where are people displaced to?**

Number of individuals displaced, by current district of residence

The IOM Iraq Displacement Tracking Matrix (DTM) is the standard data source being used in Iraq to guide the humanitarian response. Emergency tracking for the Mosul operations began identifying people displaced resulting from military actions that began on 17 October.
