BASELINE MOBILITY ASSESSMENT (BMA) AND EMERGENCY COMMUNITY-BASED NEEDS ASSESSMENT (eCBNA)

The BMA assessment tracks mobility, provides information on population estimates, locations and geographic distribution of displaced, return and migrant populations, reasons for displacement, places of origin and periods of displacement. The CBNA documents vulnerabilities and multisectoral needs. Data is collected at the settlement level, through focus group discussions with community focal points and direct observations. Round 15⁴ of the BMA and eCBNA were conducted in March and April 2022.
