## OVERVIEW

On 2nd of May, windstorms struck Boarding Primary School Camp (Transit Camp) in Kala/balge LGA of Borno State. The windstorms affected a total of 194 individuals from 73 households. The windstorms also damaged 20 shelters and five brick/block latrines.

The DTM (Displacement Tracking Matrix) field staff conducted quick evaluations in the wake of these events to provide the humanitarian community, the government, and partners with information and to enable a focused response. Direct observation and key informants are used in flash reports to collect representative data and learn about the number and immediate needs of affected communities

## NEEDS

The priority needs of the affected population were shelter, food and NFIs. The affected population were residing with neighbours in the camp while they fix their shelters.
