

	Assessment conducted in affected areas	
	Assessment conducted through phone interviews with key informants	

The objective of the Emergency Tracking Tool (ETT) is to collect information on large and sudden population movements as well as on security and climate emergencies. Information is collected through key informant interviews or direct observation. This dashboard presents information on a movement which occurred on **14 May 2023 in the town of Ounianga-Kébir**, located in the province of Ennedi Ouest, near the Libyan border.

## SUMMARY OF EVENT

	Collectively expelled population: <b>150 individuals</b>		Reason for movement: <b>Collective expulsion</b>		Departure location: <b>Libya</b>
	Host location: <b>Ounianga-Kébir (Ennedi Ouest)</b>		Means of transport : <b>6 vehicles</b>		Date of movement: <b>12-14 May 2023</b>

On May 12<sup>th</sup>, 2023, a total of **150 Chadian nationals** (17 minors, 8 elders and 10 reportedly ill) were collectively expelled to Libya and arrived in the town of Ounianga-Kébir on 14 May 2023. Most of the expelled are originally from Lac, Nord Kanem, Ouaddai, Ati and Guéra. Additionally, these individuals reported having spent 2 to 4 years in Tripoli jail (Libya) before being expelled.

Indeed, these individuals have not received any assistance and are living in a dire condition and do not have any support to continue their trip towards their communities of origin. **As such, they reported urgent needs for food after going several days without eating, non-food items (such as blankets and mats), as well as transport assistance to their localities of origin.**

## PRIORITY NEEDS

-  **Food**
-  **Transport**
-  **Non-food items**
