

On the 10th of March, 108 migrants were transferred from Alkhamees detention centre to Ain Zara detention centre. Migrants are in poor health conditions and the detention center is in need of repairs.

As of 8 March, 720 households have been displaced to the Muhallas of Al Minshiyah, Sakra-Mahdia and to the baladiya of Ubari as a result of continued armed clashes in the city of Sebha.

Over the past two weeks, a large influx of migrants has been reported crossing the Algerian border.

The Event Tracker is part of IOM Libya's Displacement Tracking Matrix (DTM) programme. DTM is a suite of tools that provide a comprehensive articulation of Libya's human mobility patterns. The Event Tracker is a biweekly tool collecting and triangulating information on the whole of Libya on any incidents related to IDPs, returnees and migrants, especially in regards to large population movements updates on border closures and new routes. For more information visit www.globaldtm.info/libya.

Disclaimer: DTM's Event Tracker is sourced through DTM staff and partners and is triangulated with data collected through DTM's Flow Monitoring and Mobility Tracking components. All data reported in the Event Tracker is considered as reported and is validated in all final reports published by Flow Monitoring and Mobility Tracking.
