The objective of the Emergency Tracking Tool (ETT) is to collect information on large and sudden population movements as well as on security and climate emergencies. Information is collected through key informant interviews or direct observation. This dashboard presents information on a movement which occurred from **09 to 10 april 2023** in the town of **Ounianga-Kébir**, located in the province of Ennedi Ouest, near the Libyan border.

SUMMARY OF EVENT

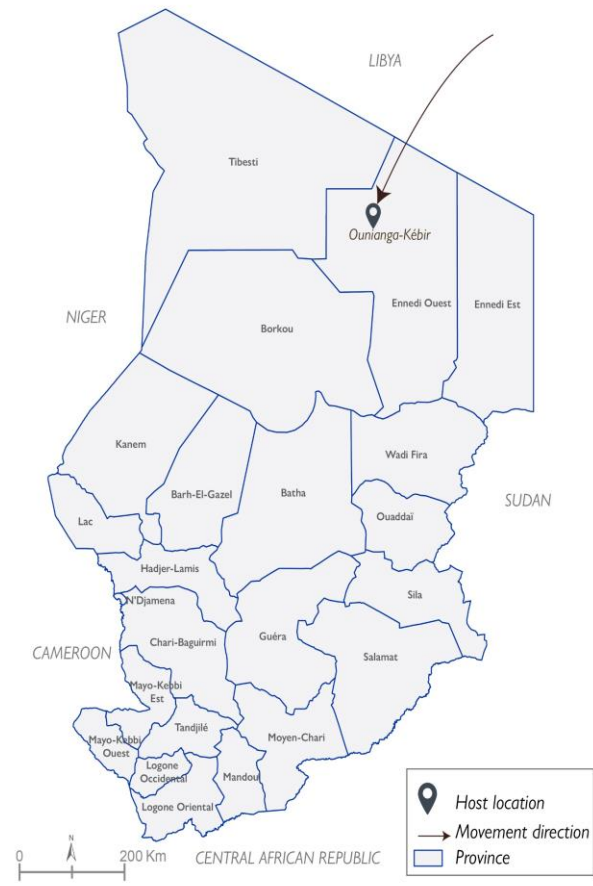

| | | | | | |
|---|--|---|--|---|---|
|  | Collectively expelled population: 15 individuals |  | Reason for movement : Collective expulsion |  | Departure location : Libya |
|  | Host location : Ounianga-Kébir (Ennedi Ouest) |  | Means of transport : 2 trucks |  | Date of movement : 09-10 april 2023 |

On April 9th, 2023, **15 Chadian nationals** (all adults) were collectively expelled to Libya and arrived in the town of Ounianga-Kébir on 10 April 2023. Most of the expelled are originally from Abéché and Batha. Additionally, these individuals reported having spent 2 to 3 years in Benghazi prison (Libya) before being expelled.

Indeed, these expelled individuals have not received any assistance and are living in a dire condition (among them, two are reportedly ill) and do not have any support to continue their trip towards their communities of origin. **As such, they reported urgent needs for food after going several days without eating, medication, as well as transport assistance to their localities of origin.**
