Displacement following the violence in Cité Soleil, Croix-des-Bouquets, and Delmas.

This information was collected following the armed attacks that took place in the Ouest department on **September 26**, 2023, specifically in the **Delmas 2** neighborhood (municipality of Delmas). On **September 27**, 2023, two additional attacks occurred in **Marin** (municipality of Croix-Des-Bouquets) and the **Cité Douillard** neighborhood (municipality of Cité Soleil). These attacks affected residents of **seven** neighborhoods, resulting in the emergence of new spontaneous displacement sites. Assessments were conducted by contacting key informants via telephone. The results indicate that there are **1,461** internally displaced persons, distributed among **372** households. Among them, **15** individuals are residing in **one** site, equivalent to three households. The report focuses on these three events on the first page, and then provides separate details for each event on the subsequent three pages.
