

Following the start of clashes between armed groups in southern Tripoli on 27 August, at least 1,171 households (approximately 5,866 individuals) have been displaced to other areas in and around Tripoli. Conflict-affected neighborhoods include Ain Zara, Salah Eddin, Qasr Ben Gashir and Khalla Al Furjan.

While the majority of displaced households are staying in private accommodation with family, some were temporarily sheltered in a school in West Tripoli in Hai al Andalus. Reported priority needs in the location included food, NFIs and Health Kits.
