

This information was collected following ongoing armed attacks in the neighborhoods of Solino and its surroundings as well as in the Gabelliste neighborhood, all located in the municipality of Port-au-Prince. Attacks in Solino began on 14 January 2024 and in Gabelliste on 2 January. At the time of writing this report, they are still ongoing and populations' displacements continue. This report is an update of the [one published on 18 January](#) and further updates will be published according to the evolution of displacement. A total of 2,475 people have already been displaced following these attacks, including 1,703 following attacks in Solino and its surroundings and 772 following those in Gabelliste. The majority of displaced populations (63%) took refuge in host families and 37% in sites (924 persons in 11 sites).

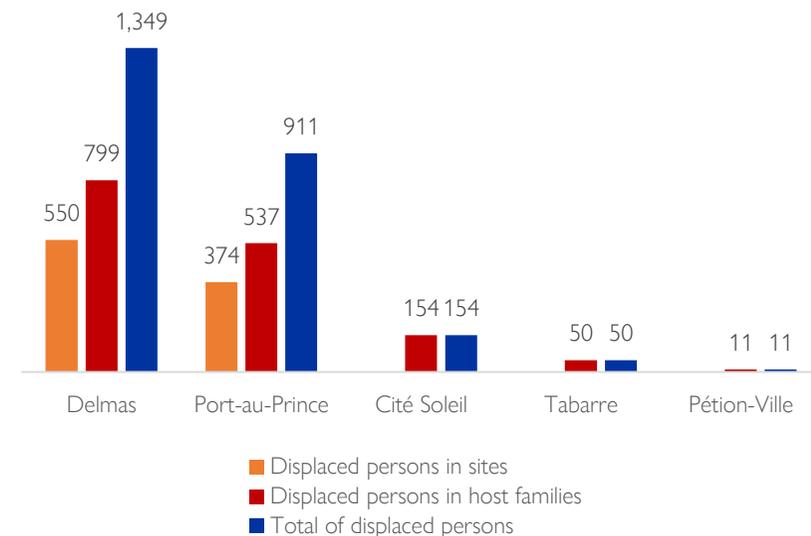

Origins and host locations of displaced persons
