

This information was collected following armed attacks that occurred on 8 and 9 March 2024 in the 5th municipality section Pays Pourri, in the municipality of Ganthier located in the West department. A total of 1,470 persons (400 households) were displaced following these attacks. All of them took refuge with relatives, in host families. It should be noted that in less than 3 months this municipality (and the same municipality section) suffered two armed attacks whereas in the past it had almost never suffered any (see [ETT 32.1](#) for more details on the attack that occurred in December 2023).

Origins and host locations of displaced persons

Demography

400 Displaced Households
