

Abusliem

In February, an estimated 330 migrants arrived in Abusliem from neighbouring municipalities. This included new migrants looking for work and some returning to resume jobs they held prior to the deterioration of the security situation in September 2018.

Ain Zara

An estimated 350 migrants arrived in Ain Zara in February, and while some were transiting onwards to other destinations, several were also reported to be looking for work opportunities locally.

Ashshwayrif

An estimated 950 migrants were reported to have arrived in Ashshwayrif, from southern Libya, planning to continue their journey to other destinations.

Benghazi

An estimated 690 migrants arrived in Benghazi during February looking for job opportunities.

Derna

As the security situation reportedly remained stable, previously displaced persons continued to return. In February, at least 375 IDPs were reported to have returned to Derna, and their reported needs included food, NFIs, medicines, and protection.

**Hrawa**

An estimated 130 to 270 migrants were reported to have arrived in Hrawa from Alkufra, Ejdabia and Aljufra; some were looking for job opportunities while others planned to continue their journey to other destinations.

**Murzuq**

During the last week of February, at least 200 families (1000 individuals) were displaced from Murzuq to Algatroun, while subsequently 120 displaced families (600 individuals) were then reported to have returned to Murzuq in the following week as the security situation improved. The reported needs were related to the lack of availability and access to food for the affected population, non-food items, and medical supplies.

**Nesma**

An estimated 170 migrants were reported to have arrived in Nesma, from southern Libya, planning to continue their journey to other destinations.

**Sidi Assayeh**

An estimated 30 individuals who had previously been displaced to Ain Zara were reported to have returned to Sidi Assayeh. Access to cash and livelihood opportunities were reported to be their main needs.

**Sirt**

25 IDPs were reported to have returned to Sirte from Tripoli and Misrata during the reporting period. These returnees are reportedly staying at their original homes, and their main need was reported as access to cash.

An estimated 200 to 300 migrants were reported to have arrived from Ejdabia, Aljufra and Misrata. Some were reported to be looking for job opportunities, whereas others were planning to continue their journey to other destinations.

**Swani Bin Adam**

An estimated 400 migrants were reported to have arrived in Swani Bin Adam during February from other municipalities. Some were looking for work opportunities whereas others were planning to continue onwards to other destinations.

**Tazirbu**

An estimated 900 migrants from neighbouring countries were reported to have arrived at Tazirbu, a key transit point in Southern Libya.

**Wazin**

An estimated 200 migrants were reported to have arrived in Wazin from neighbouring countries, while some arrived from other municipalities within Libya. Some arriving migrants were planning to continue their journey to other destinations whereas others were reported to have arrived for engaging in commerce.
