Hartima

Location SSID: ssid_SS0201_0006

Postcode: SS020102

Accessibility: Accessible by car

Community Leader: Yes

Registration: No

Who is being registered: NA

No. IDPs: 26

Households: 4

Reason for displacement: Conflict

Origin of largest IDP group:

Eastern Equatoria, Budi

Origin of 2nd largest IDP group:

Central Equatoria, Juba

Mobility (IDPs)

Date of arrival of first IDP group: NA

Date of arrival of last IDP group: NA

Have the IDPs been displaced previously? No

Three main reasons preventing the majority of IDPs from returning:

NA

Mobility (returnees)

Date of return of first returnee group: 2018-01-17

Date of return of last returnee group: 2018-02-05

Are there people displaced from this village / neighbourhood who have not returned yet? Yes

Special needs

No. pregnant women: 29

No. breastfeeding mothers: 34

Total number of individuals with special needs: 69

Special needs include pregnant and breastfeeding women, separated, orphaned and unaccompanied children, persons with mental or physical disabilities, persons with chronic diseases or serious medical conditions and old people without caregivers.

Protection

Main security provider in the village / neighbourhood: Self Organized

Health

Most common concern: Malaria

Main provider: NA

Education

Type of facility: Formal Primary Education

Availability of learning supplies: Yes

Availability of teachers: Yes

No. returnees: 161

Households: 23

Reason for displacement: Conflict

Origin of largest returnee group:

Eastern Equatoria, Budi

Distance from main water source

>20 min walking

Water fit for human drinking

No

People feel safe collecting water

Yes

Conditions of most latrines
