

Damboa LGA (Local Government Area) | 27 May 2019

As of 27 May 2019, a total of 9,432 individuals from Sabon Gari community were moved by the Military to Damboa town. The displaced population arrived in batches: 3,767 arrived on the May 21, 2,809 arrived on May 22, and 1,134 arrived on May 23 and the remaining 1,722 arrived within the period of May 24 - 27. Out of the displaced families, 142 households or 710 individuals were hosted in Unity Camp Phase 2, and 156 households or 717 individuals were accommodated in classrooms at GSSS Damboa (SSS Quarters). The rest of the displaced population or 8,005 individuals including the vulnerable groups are staying in the open areas without shelters.

The Military has approved the relocation of IDPs living in the open space to Technical Secondary School to stay temporarily once WASH facilities are upgraded and installed. IOM ETT has so far registered 2,017 households or 9,432 individuals.

Although the last batch of relocation exercise was done on 23 May, the displaced individuals have been coming on their own from Sabon Gari to Damboa Central reportedly trekking, the distance is approximately 52km.

Intervention:

Sector/Activity	Type of Intervention	Agency
Registration	9,432 individuals (2,017 households) registered	IOM DTM
Food Security	Dry ration food distribution; wet food feeding planned; nutrition screening ongoing	IMC, WFP, Damboa LGA
CCCM	2 sites hosting new arrivals	IOM CCCM
WaSH	58,000 liters of water delivered; continuous delivery of water by partners; 500 hygiene kits distributed; sanitation tools distributed; Damboa LGA provided emergency latrines	Mercy Corps, DYDA, Government, IMC, UNICEF, IOM
Health	Primary health care, screening for MUAC, vaccination	MDM, NRCS, IMC, WHO and UNICEF
Shelter	Construction of 2 Emergency Transit shade to decongest the population from sleeping outside	IOM
NFI	Solar lamps distributed to 60 women	IMC

In addition, UNICEF Proposed to supply 50,000 Litres of water trucking to the IDPs sleeping in open space and IMC Will start wet feeding targeting all the new arrivals. Mercy Corps plans to build more shelters.

Gaps:

<p>Shelter: 8,005 individuals are without any shelter support</p>	<p>Health: Several number of children are yet to be immunized and some children between 2-4 years are with suspected cases of measles</p>
<p>Wash: Insufficient water supply, insufficient WaSH facilities</p>	<p>Food: Wet feeding is not provided to new arrivals.</p>
<p>NFI: NFIs are needed</p>
