Mobility (IDPs)

Date of arrival of first IDP group: 2016-06-28

Date of arrival of last IDP group: 2018-10-23

Have the IDPs been displaced previously? Yes

Three main reasons preventing the majority of IDPs from returning:

Lack of food, House damaged/destroyed, Lack of safety

Mobility (returnees)

Date of return of first returnee group: 2018-05-24

Date of return of last returnee group: 2019-01-01

Are there people displaced from this village / neighbourhood who have not returned yet? Yes

Special needs

No. pregnant women: 40

No. breastfeeding mothers: 200

Total number of individuals with special needs: 584

Special needs include pregnant and breastfeeding women, separated, orphaned and unaccompanied children, persons with mental or physical disabilities, persons with chronic diseases or serious medical conditions and old people without caregivers.

Protection

Main security provider in the village / neighbourhood: Police militia

Health

Most common concern: Diarrhea

Main provider: NGO/INGO

Education

Type of facility: Formal Primary Education

Availability of learning supplies: Yes

Availability of teachers: Yes

Distance from main water source

<20 min walking

Water fit for human drinking

Yes

People feel safe collecting water

Yes

Conditions of most latrines

**Unknown
Not reported**

Evidence of open defecation
