

The purpose of the Emergency Tracking Tool is to gather information on large and sudden movements of populations. The information is collected through interviews with key informants or direct observations. This report presents information on movements that took place from 17 to 19 August in the towns of Faya and Zouarke. These movements were observed at DTM Flow Monitoring Points set up in Faya and Zouarke.

 Direction of flow
 Host town

NEW MOVEMENTS

 **1,341 individuals**

1. Town of Faya

Arrivals : 341 individuals

2. Town of Zouarke

Arrivals : 1,000 individuals (around)

DATE OF MOVEMENT

From 17 to 19 August 2019

From 17 to 19 August 2019

SUMMARY OF EVENT

Between 17 and 19 August 2019, 1,279 individuals left gold mines located in and around Kouri, in particular the Mandjaf 35 gold mine, including around 1,000 who left for Zouarke (Tibesti Province) and 341 who went to Faya (Borkou Province). These movements follow the closure of gold mines in the region by the authorities. These individuals were all men, mostly of Chadian nationality, as well as a few Sudanese nationals.
