 Who is being registered: NA

No. IDPs: 10

Households: 2

Reason for displacement: Conflict

Origin of largest IDP group:

Western Equatoria, Mundri West

Origin of 2nd largest IDP group:

NA, NA

No. returnees: 848

Households: 172

Reason for displacement: Conflict

Mobility (IDPs)

Date of arrival of first IDP group: 2015-08-16

Date of arrival of last IDP group: 2019-02-05

Have the IDPs been displaced previously? Yes

Three main reasons preventing the majority of IDPs from returning:

Lack of food, House damaged/destroyed, Lack of safety

Mobility (returnees)

Date of return of first returnee group: NA

Date of return of last returnee group: NA

Are there people displaced from this village / neighbourhood who have not returned yet? No

Special needs

No. pregnant women: 3

No. breastfeeding mothers: 3

Total number of individuals with special needs: 61

Special needs include pregnant and breastfeeding women, separated, orphaned and unaccompanied children, persons with mental or physical disabilities, persons with chronic diseases or serious medical conditions and old people without caregivers.

Protection

Main security provider in the village / neighbourhood: Local Authorities

Health

Most common concern: Malaria

Main provider: NA

Education

Type of facility: Temporary Learning Spaces

Availability of learning supplies: No

Availability of teachers: No

Distance from main water source

>20 min walking

Water fit for human drinking

No

People feel safe collecting water

No

% collapsed or in danger of shelters*
