

### Overview of Migrant Situation in Turkey

According to the latest available figures from the Turkish Directorate General of Migration Management (DGMM), currently there are more than 4.7 million foreign nationals present in Turkish territory, 3.6 million of whom seeking international protection.

Most of them are Syrians (3,576,344\* individuals) who are granted the temporary protection status. In addition, international protection applicants from countries including Afghanistan, the Islamic Republic of Iran and Iraq constitute another group of foreign nationals. According to DGMM, as of end of 2019, there are 56,417 international protection applicants<sup>1</sup> present in Turkey.

In addition, there are 1,116,571\* foreign nationals under residence permit holder status including humanitarian residence holders.

| Nationality              | Percentage# |
|--------------------------|-------------|
| Afghanistan              | 62%         |
| Iraq                     | 28%         |
| Islamic Republic of Iran | 6%          |
| Others                   | 4%          |

### Residence Permit Holders

Foreigners who would stay in Turkey beyond the duration of a visa or a visa exemption or, longer than 90 days should obtain a residence permit. There are 1,116,571 residence permit holders in Turkey within various categories. According to DGMM, the "other" residence permit category includes humanitarian residence permit holders, and while the exact number is unknown, it is believed that the vast majority of this category are Iraqis. The breakdown of the residence permit holders are shown in the map on the left. The category breakdown of residence permits are published annually whereas the total number of residence permit holders are monthly published.
