As a result of continued armed clashes in the city of Sebha, 720 households (approximately 3,600 individuals) have been displaced to the Muhallas of Al minshiyah (530 HH), Sakra-Mahdia (140 HH) and Ubari (50 HH).

While the vast majority of IDPs (530 HH) are hosted in public buildings in Al Minshiya Muhalla, the remaining 190 HH are being hosted by residents in Sakra, Mahdia and Ubari Muhallas. The main needs of the displaced population are water, NFIs, food items, and cleaning materials, with tents highlighted as the prevalent need for some families in Al Minshiya.

Multiple casualties among the civilian population were also reported in the city of Sebha.

The DTM field team will continue to monitor the situation.
