Bhar El Girindi

Location SSID: ssid_SS1006_0001
 Postcode: SS100601
 Accessibility: Accessible by car
 Community Leader: Yes
 Registration: Yes, paper-based
 Who is being registered: Returnees only

No. IDPs: 146

Households: 26

Reason for displacement: Conflict

Origin of largest IDP group:

Western Equatoria, Mvolo

Origin of 2nd largest IDP group:

Western Equatoria, Mvolo

Female
Male

No. returnees: 935

Households: 170

Reason for displacement: Conflict

Origin of largest returnee group:

Western Equatoria, Ibba

Female
Male

Mobility (IDPs)

Date of arrival of first IDP group: NA

Date of arrival of last IDP group: NA

Have the IDPs been displaced previously? No

Three main reasons preventing the majority of IDPs from returning:

Accessibility, Lack of food, Lack of safety

Mobility (returnees)

Date of return of first returnee group: 2017-04-18

Date of return of last returnee group: 2018-06-20

Are there people displaced from this village / neighbourhood who have not returned yet? Yes

Special needs

No. pregnant women: 10

No. breastfeeding mothers: 8

Total number of individuals with special needs: 25

Special needs include pregnant and breastfeeding women, separated, orphaned and unaccompanied children, persons with mental or physical disabilities, persons with chronic diseases or serious medical conditions and old people without caregivers.

Protection

Main security provider in the village / neighbourhood: Local Authorities

Health

Most common concern: Malaria

Main provider: Government

Education

Type of facility: Temporary Learning Spaces

Availability of learning supplies: No

Availability of teachers: Yes

Distance from main water source

>20 min walking

Water fit for human drinking

No

People feel safe collecting water

Yes

% collapsed or in danger of shelters*
