

This information was collected following armed attacks that occurred on 19 January 2024 in the neighborhood of Bas Bizoton and its surroundings, located in the municipality of Carrefour. In total, 2,451 people were displaced, including 1,491 people residing at the location of the attack and its surroundings as well as 960 people who fled the neighborhood of “Le Lambi”, located in the same municipality of Carrefour, for fear that their area will also be attacked in coming days. All these people took refuge with relatives (in host families) in the municipalities of Carrefour, Léogâne and Gressier.

Origins and host locations of displaced persons
