

This information was collected following attacks in the municipality of Ganthier since 21 July 2024, in the 5<sup>th</sup> communal section of Pays Pourri. **A total of 3,830 people (985 households) were displaced following these attacks.** All of them took refuge with relatives, in host families, particularly in the 3<sup>rd</sup> communal section of Fonds Parisien located in the same municipality. At the time of writing this report, these attacks were still ongoing. Updates will be published by DTM according to observations of new displacement. It should be noted that the municipality of Ganthier has suffered several attacks since the end of 2023, whereas in the past it had almost never suffered any (see [ETT 32.1](#) and [ETT 40](#) for more details on recent attacks that caused significant population displacement).

### Origins and host locations of displaced persons
