

This information was collected following incidents in the Ganthier municipality, specifically in the 5th section of Pays Pouri since July 21, 2024, as well as another incident in the 4th section of Mare Roseaux on August 1, 2024. A total of **2,121 individuals (985 households)** have been displaced as a result of these incidents. The majority of these individuals have sought shelter with relatives in host families, as well as in two new sites, involving 17% of them. This report is an update of the previous one published after the events of July 21st (see [ETT 45](#)). Further updates may be released based on the evolution of the displacement situation.
