On April 16 and 24, several fire outbreaks were reported in Water Board Camp in Monguno Local Government Area (LGA), Borno state. The fire outbreak affected a total of 232 individuals and destroyed 45 makeshift shelters. The affected individuals included 141 children, 46 women and 45 men. The majority of those affected by the fire outbreak lost their personal items in the fire, including biometric cards and food ration cards. The fire outbreak was caused by the wind spreading cooking fires. One death was reported as a result of the fire outbreak.

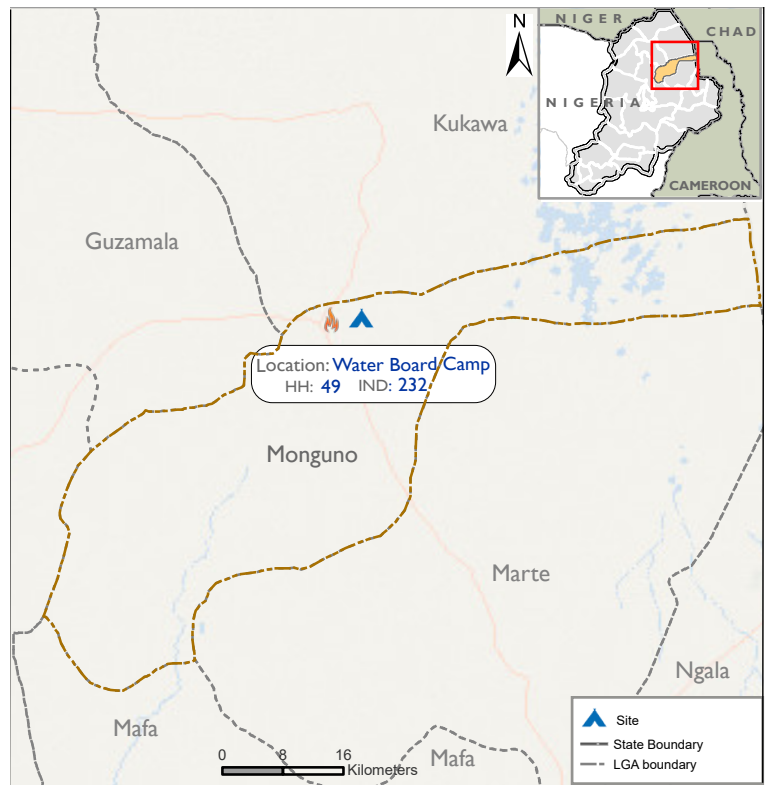

While the affected populations are working to rebuild their shelters, they presently live with their neighbours in the same camp.

Needs

Amongst the most urgent needs identified were food, shelter kits and non-food items (NFIs).

Response

At the time of reporting, no assistance has been rendered to the affected population.
