A fire broke out in Kuya and NRC 1&2 camps in Monguno Local Government Area (LGA), Borno state, on 11 and 13 February 2023, and many internally displaced persons (IDPs) were further displaced. Most of the affected people lost their shelter and personal belongings including, biometric cards and food ration cards. No injuries or fatalities were reported, the cause of the fire was unknown.

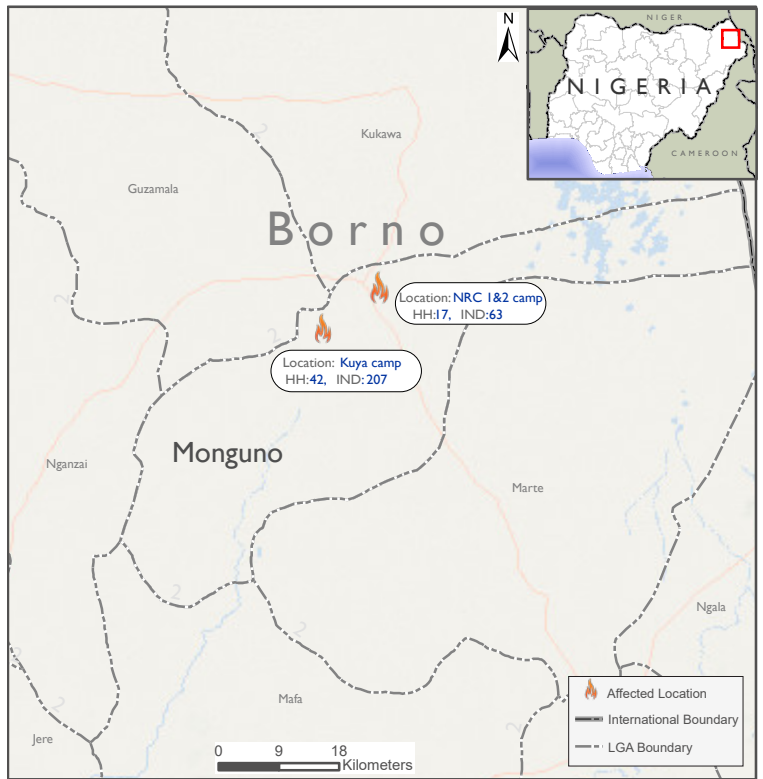

The disaster affected 270 individuals in 59 households and damaged 45 emergency shelters. The affected people included 114 children, 81 women, and 75 men.

Needs

The fire victims were living with their neighbours in the same camp while working to rebuild their shelters. Amongst the most urgent needs identified were food, shelter kits and non-food items (NFI).

Response

At the time of reporting, no assistance has been rendered to the affected population.
