Unique ID	Dissemination Category	Instructions for the Form	Information Need	Type of Question
M0153	Public	Select one	presence of suplementary feeding services	optional

Question Text

Availability of supplementary feeding for pregnant and lactating mothers
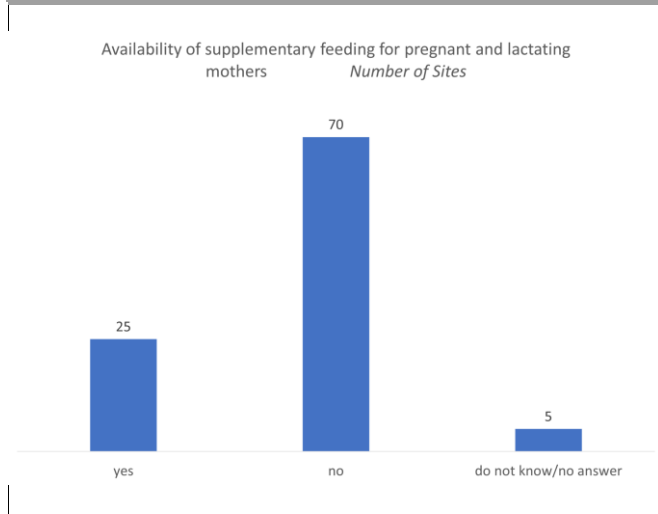

Response Options

yes; no; Do not know/no answer

Preconditions for Data Collection	Recommended Source of information
Discuss with nutrition cluster if this is needed	Nutrition actor/ Healthcare worker/Site Management

Example of Visualisation	Example of Descriptive Analysis
	According to Key informants in assessed sites, supplementary feeding for pregnant and lactating mothers is available in x% of sites, and not in the remaining y% (xxx number of sites are without supplementary feeding services)

Availability of supplementary feeding for pregnant and lactating mothers — *Number of Sites*

Example of Use that can be done by Data Users (eg, CWG, Cluster)

availability of supplementary feeding services (Mothers)

Dataset of Interest for:

		CCCM			Food Security		Health
		Nutrition					

Unique ID	Dissemination Category	Instructions for the Form	Information Need	Type of Question
M0154	Public	Select one	presence of suplementary feeding services	optional

Question Text

Availability of supplementary feeding for children

### Response Options

yes; no; Do not know/no answer

Preconditions for Data Collection	Recommended Source of information
Discuss with nutrition cluster if this is needed	Nutrition actor/ Healthcare worker/Site Management

Example of Visualisation	Example of Descriptive Analysis
	According to Key informants in assessed sites, supplementary feeding for children is available in x% of sites, and not in the remaining y% (xxx number of sites are without supplementary feeding services)

Example of Use that can be done by Data Users (eg, CWG, Cluster)

availability of supplementary feeding services (children)

Dataset of Interest for:

		CCCM			Food Security		Health
		Nutrition					

Unique ID	Dissemination Category	Instructions for the Form	Information Need	Type of Question
M0155	Public	Select one	presence of suplementary feeding services	optional

Question Text

Availability of school feeding program?
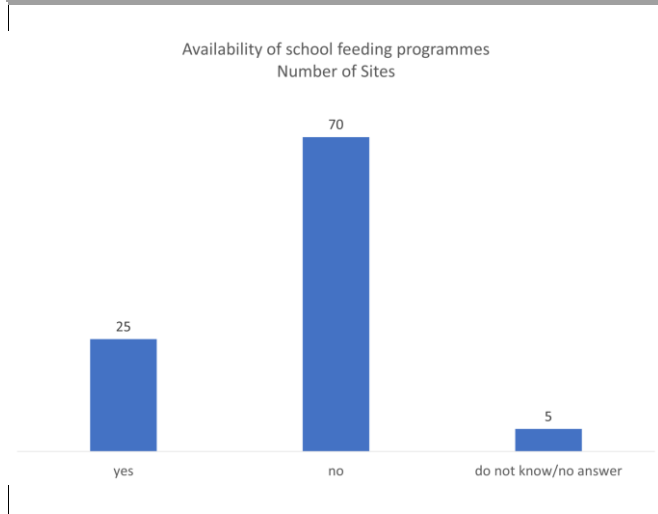

Response Options

yes; no; Do not know/no answer

Preconditions for Data Collection	Recommended Source of information
Discuss with nutrition cluster if this is needed	School staff/Nutrition Actor/Healthcare worker

Example of Visualisation	Example of Descriptive Analysis
	According to Key informants in assessed sites,school feeding is available in x% of sites, and not in the remaining y% (xxx number of sites are without school feeding services)

Availability of school feeding programmes Number of Sites

Example of Use that can be done by Data Users (eg, CWG, Cluster)

availability of school feeding services

Dataset of Interest for:

		CCCM		Education	Food Security		Health
		Nutrition					

Unique ID	Dissemination Category	Instructions for the Form	Information Need	Type of Question
M0156	Public	Select one	place for breastfeeding	optional

Question Text

Is there a place where mothers can breastfeed in the location?

Response Options

yes, there is a place where mothers gather to breastfeed in privacy, and health workers are present; yes, there is a place where mothers gather to breastfeed in privacy, but no healthworker is present; yes, they can breastfeed only in their homes; no, mothers do not normally breastfeed infants in this community; do not know/no answer

Preconditions for Data Collection	Recommended Source of information
	Nutrition actor/Healthcare worker/woman member of Residents Committee /Site Management

Example of Visualisation	Example of Descriptive Analysis
	According to Key informants in assessed sites, x% of sites have dedicated place for breastfeeding where there is an healthworker, while xx% have a dedicated place wihtout healthworker. XX% of assessed sites do not have a dedicated place, and in xx% of sites mothers do not normally breastfeed.

Example of Use that can be done by Data Users (eg, CWG, Cluster)

proxy to understand if breastfeeding is facilitated

Dataset of Interest for:

		CCCM					Health
		Nutrition					

Unique ID	Dissemination Category	Instructions for the Form	Information Need	Type of Question
M0157	Public	Select one	information on feeding infants	optional

Question Text

Does anybody explain how to feed infants in the location?
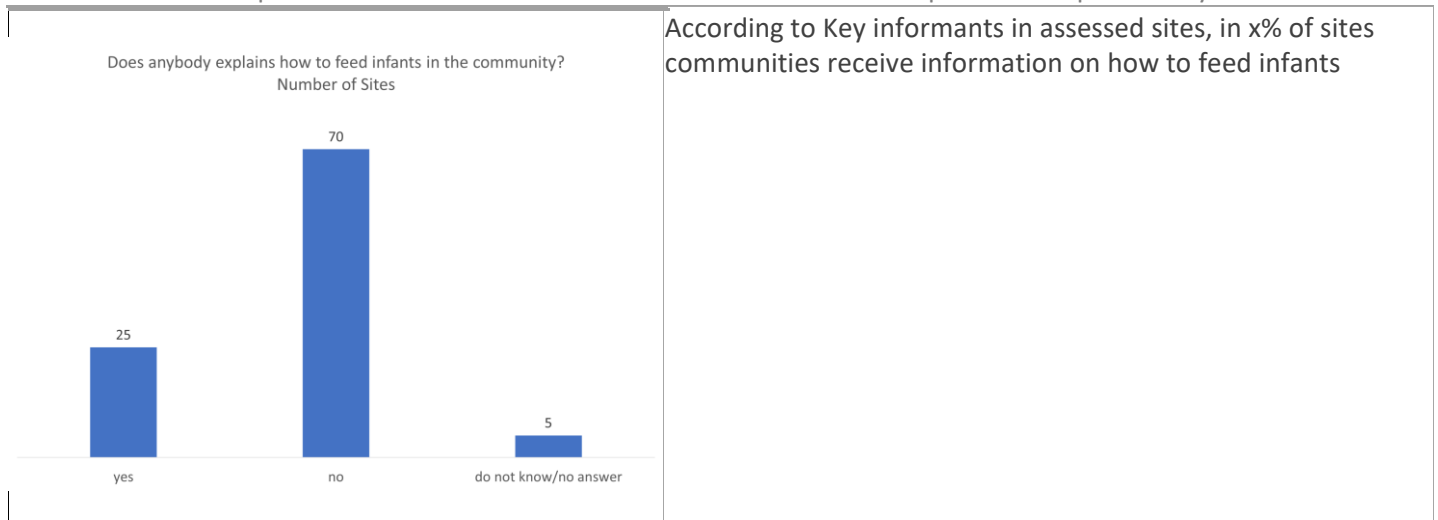

Response Options

yes; no; Do not know/no answer

Preconditions for Data Collection	Recommended Source of information
	Nutrition actor/Healthcare worker/woman member of Residents Committee/Site Management

Example of Visualisation	Example of Descriptive Analysis
	According to Key informants in assessed sites, in x% of sites communities receive information on how to feed infants

Does anybody explains how to feed infants in the community? Number of Sites

Example of Use that can be done by Data Users (eg, CWG, Cluster)

proxy to understand if information on feeding infants are communicated to community

Dataset of Interest for:

		CCCM					Health
		Nutrition					

| Unique ID	Dissemination Category	Instructions for the Form	Information Need	Type of Question
M0158	Public	Select one	information on malnutrition to community	optional

Question Text

Are there medical personnel that tell people how to address malnutrition of children in the location?

Response Options

yes; no; Do not know/no answer

Preconditions for Data Collection	Recommended Source of information
	Nutrition actor/Healthcare worker/woman member of Residents Committee/Site Management

Example of Visualisation	Example of Descriptive Analysis
	According to Key informants in assessed sites, in x% of sites medical personnel informs communities on how to address malnutrition of children

Example of Use that can be done by Data Users (eg, CWG, Cluster)

proxy to understand if information on addressing malnutrition are communicated to community

		Dataset of Interest for:					
		CCCM					Health
		Nutrition					

Unique ID	Dissemination Category	Instructions for the Form	Information Need	Type of Question
M0159	Public	Select one	identification of malnutrition	optional

Question Text

Have the children in the location and/or pregnant women been measured (circumference of arm and/or height) and /or weighed on a scale in the last xxx months)?
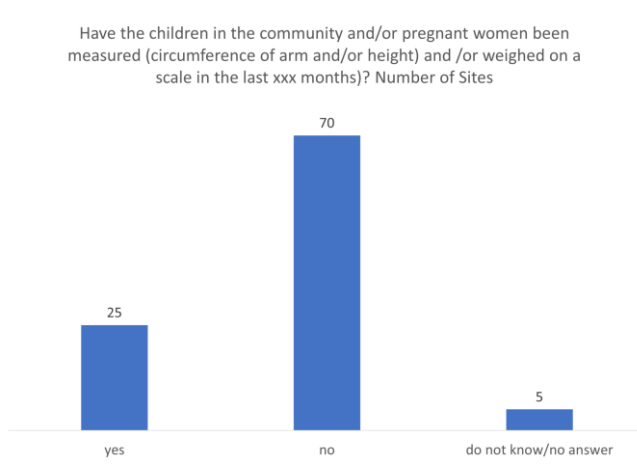

Response Options

yes; no; Do not know/no answer

Preconditions for Data Collection	Recommended Source of information
	Nutrition actor/Healthcare worker/woman member of Residents Committee/Site Management

Example of Visualisation

Have the children in the community and/or pregnant women been measured (circumference of arm and/or height) and /or weighed on a scale in the last xxx months)? Number of Sites

Example of Descriptive Analysis

According to Key informants in assessed sites, in x% of sites children in the community and/or pregnant women been measured (circumference of arm and/or height) and /or weighed on a scale in the last xxx months), while in yy% of sites they have not.

Example of Use that can be done by Data Users (eg, CWG, Cluster)

proxy to understand if malnutrition would be identified

Dataset of Interest for:

		CCCM					Health
		Nutrition					

| Unique ID	Dissemination Category	Instructions for the Form	Information Need	Type of Question
M0160	Public	Select one	Presence of health worker in community	optional

Question Text

Are healthcare workers working in the site/community?

Response Options

yes, once a week or more often; yes, 2 or 3 times a month; yes, once a month; yes, less frequently than once a month; no; do not know/no answer

Preconditions for Data Collection	Recommended Source of information
	Nutrition actor/Healthcare worker/woman member of Residents Committee/Site Management

Example of Visualisation	Example of Descriptive Analysis
	According to key informants, in xx sites there are no health workers. In xx sites, healthcare workers are working once or more than once a week, in xx sites, 2-3 times a month, in xx sites one a month, in xx sites less frequently than once a month. No information was available for xx sites.

Example of Use that can be done by Data Users (eg, CWG, Cluster)

Use it as a proxy to identify likelihood that Nutrition information is passed and if levels of malnutrition would be detected; Assess potential access to healthcare in the site and frequency of such access; Identify potential channel for campaigns;

Dataset of Interest for:

		CCCM					Health
		Nutrition					

Unique ID	Dissemination Category	Instructions for the Form	Information Need	Type of Question
M0161	Public	Select one	Increase in food prices that could impact nutrition	optional

Question Text

Was there an increase in the price of foods in the last two months that makes it difficult to buy food?

Response Options

yes; no; Do not know/no answer

Preconditions for Data Collection	Recommended Source of information
	Nutrition actor/Healthcare worker/ member of Residents Committee Member/Site Management
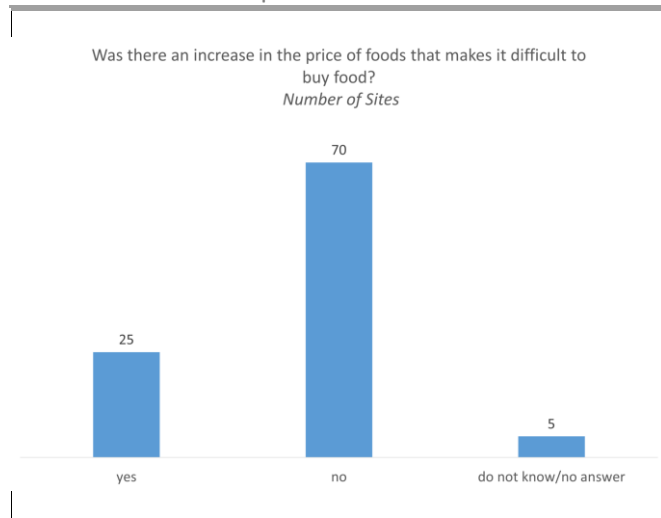

Example of Visualisation	Example of Descriptive Analysis
	RED FLAG to communicate to Nutrition cluster and FSCLuster; According to Key informants inxx% of assessed sites, there was an increase of food prices in the two months before the data collection that makes it difficult to buy food.

Example of Use that can be done by Data Users (eg, CWG, Cluster)

Identify possible sites where nutrition may suddenly have worsened (by Nutrition cluster); Geographical analysis (by CASH WG, Nutrition) for further comparison with nutrition rates and prices

Dataset of Interest for:

	CASH WG	CCCM	Child Protection	Education	Food Security		
		Nutrition					

Unique ID	Dissemination Category	Instructions for the Form	Information Need	Type of Question
M0163	Public	Select one	Visible proxy for malnutrition in children	optional

Question Text

What proportion of children are very thin or suffer from very swollen bellies or limbs?

Response Options

Nobody (around 0%); A few (around 25%); About half (around 50%); Most (around 75%); Everyone (around 100%); Do not know /No Answer

Preconditions for Data Collection	Recommended Source of information
Discuss with nutrition/Health cluster if this is needed	Nutrition /Health Professionals, Education professionals, Child Friendly places workers, Social workers, people who have frequent interaction with many children, woman member of Residents Committee
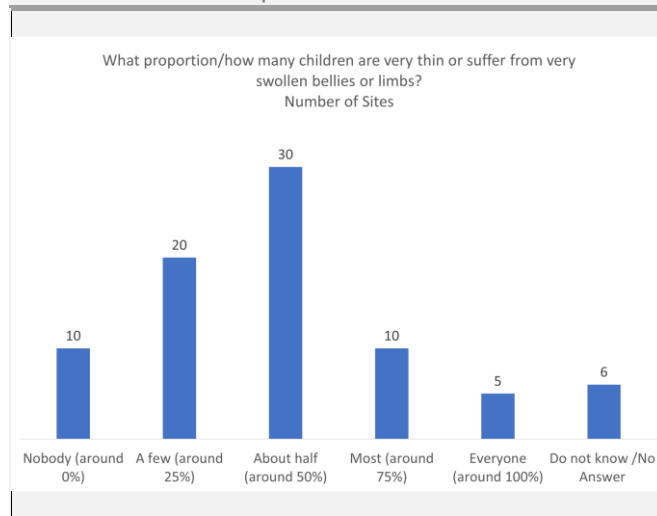

Example of Visualisation	Example of Descriptive Analysis
	According to KI, in xx% of assessed sites, no child is very thin or suffers from swallen limbs, while in xx% of sites, KI identified that around 25% of children are very thin or sufer from swallen limbs...

Example of Use that can be done by Data Users (eg, CWG, Cluster)

proxy for nutrition red flag

Dataset of Interest for:							
		CCCM	Child Protection		Food Security		Health
		Nutrition					

Unique ID	Dissemination Category	Instructions for the Form	Information Need	Type of Question
M0099	Public	Select One	women giving birth out of healthcare centre	Recommended by Cluster/WG/AoR

Question Text

Where do women give birth?

Response Options

At home; at health facility; do not know/ no answer

Preconditions for Data Collection	Recommended Source of information
	woman Member of Residents Committee/Healthcare Worker/Site Management

Example of Visualisation	Example of Descriptive Analysis
	According to key informants, in xx sites women give birth at home, and in xx at health facility. No information was reported for xx sites.

Example of Use that can be done by Data Users (eg, CWG, Cluster)

prioritise sites sectoral assessments for a possible information campaign, identify channels for information on nutrition

Dataset of Interest for:

		CCCM	Child Protection			GBV	Health
		Nutrition					

Unique ID	Dissemination Category	Instructions for the Form	Information Need	Type of Question
M0100	Public	Select One	women with medical support during pregnancy	Recommended by Cluster/WG/AoR

Question Text

Are most women seeing a health professional during their pregnancy?

Response Options

yes; no; Do not know/no answer

Preconditions for Data Collection	Recommended Source of information
	woman Member of Residents Committee/Healthcare Worker/Site Management

Example of Visualisation	Example of Descriptive Analysis
	According to key informants, inxx sites women do not see a health professional during their pregnancy, while in xx they do. No information was reported for xx sites.

Example of Use that can be done by Data Users (eg, CWG, Cluster)

prioritise sites sectoral assessments for a possible information campaign, identify channels for information on nutrition

Dataset of Interest for:							
		CCCM				GBV	Health
		Nutrition					

Unique ID	Dissemination Category	Instructions for the Form	Information Need	Type of Question
M0106	Public	select all that apply	Specific groups are involved in activities	Recommended by Cluster/WG/AoR

Question Text

What groups have access to organised group activities (e.g. sport activities, recreational activities, professional/vocational training, religious activities) ?

Response Options

Women; Girls; Boys; Men; Elderly persons; Persons wih disabilities; Other groups (Specify); There are no organised activities, do not know/no answer
Preconditions for Data Collection	Recommended Source of information
discuss with CCCM, GBV, protection cluster and psychosocial support colleagues what groups should be included in the options for answer	Site Management

Example of Visualisation	Example of Descriptive Analysis
	According to key informants, in xx sites no activities are available for women, in xx sites no activities are available for men, in xx sites no activities are available for boys, in xx sites no activities are available for girls, in xx sites no activities are available for persons with disability and in xx sites no activities are available for elderly persons. In xx sites, group activities are not availabe for any group.

Example of Use that can be done by Data Users (eg, CWG, Cluster)

Lack of activities (cross-analysed with education and livelihood opportunities) can increase protection risks. Activities can provide avenues for information-sharing by other clusters (Nutrition, Health, Hygiene, GBV...)

Dataset of Interest for:

AAP/PSEA		CCCM	Child Protection	Education	Food Security	GBV	
Livelihood	Mental Health/PSS	Nutrition	Protection		WASH		

Unique ID	Dissemination Category	Instructions for the Form	Information Need	Type of Question
M0107	Public	Select One	Type of settlement	Recommended by Cluster/WG/AoR

Question Text

Type of settlement for majority of the [population group]

Response Options

Dispersed population - Renting arrangement; Dispersed population - Hosting arrangement; Dispersed population - self-settlement; Grouped population - Collective accommodation; Grouped population - Planned Settlement; Grouped population - Spontaneous settlement
Preconditions for Data Collection	Recommended Source of information
Adapt global categories to local ("correspondence settlement types local to global" in: https://displacement.iom.int/dtm-partners-toolkit/settlement-and-shelter-types), with Shelter & CCCM cluster. Fill table to enable global use of your data	Site Management

Example of Visualisation	Example of Descriptive Analysis
	According to key informants, xx% of assessed locations, population is leaving in Dispersed population-Renting arrangement, yy% in Dispersed population-Hosting arrangements; zz% in Dispersed population-self-settlement; yzyx% in Grouped population-Collective accommodation; yyz% in Grouped population-Planned Settlement; and yz% in Grouped population-Unplanned settlement.

Example of Use that can be done by Data Users (eg, CWG, Cluster)

Mapping of locations of each settlement type

Dataset of Interest for:							
		CCCM	Child Protection	Education	Food Security	GBV	Health
Livelihood	Mental Health/PSS	Nutrition	Protection	Shelter & NFIs	WASH		

Unique ID	Dissemination Category	Instructions for the Form	Information Need	Type of Question
M0109	Public	Select One	Accessibility of location	Recommended by Cluster/WG/AoR

Question Text

Is the location physically accessible?

Response Options

Yes; Limited access (by foot only or only small means of transportation); No

Preconditions for Data Collection	Recommended Source of information
	Site Management

Example of Visualisation	Example of Descriptive Analysis
Is the site physically accessible? 20 2 ■ Yes ■ Limited Access (by foot only or only small means of transportation) ■ No	According to key informants xx% of sites have limited physical access.

Example of Use that can be done by Data Users (eg, CWG, Cluster)

Geographical analysis, Map of sites with limited physical access

Dataset of Interest for:							
		CCCM	Child Protection	Education	Food Security	GBV	Health
Livelihood	Mental Health/PSS	Nutrition	Protection	Shelter & NFIs	WASH	Logistics Cluster	

Unique ID	Dissemination Category	Instructions for the Form	Information Need	Type of Question
M0110	Public	Select One	Accessibility of location	Recommended by Cluster/WG/AoR

Question Text

Is it safe and secure to access the location?

Response Options

Yes; Limited/Intermittently (constraints such as criminality, road-blocks, or armed conflict); No; do not know/no answer

Preconditions for Data Collection	Recommended Source of information
	Site Management

Example of Visualisation	Example of Descriptive Analysis
	According to key informants xx% of sites have limited access due to insecurity

Is safe and secure to access the site? Number of Sites

- No — 10
- Limited/Intermittently (constraints such as criminality, road-blocks, or armed conflict) — 30
- Yes — 20
- Do not know/no answer — 5

Example of Use that can be done by Data Users (eg, CWG, Cluster)

Geographical analysis, Map of sites with limited physical access

Dataset of Interest for:

		CCCM	Child Protection	Education	Food Security	GBV	Health
Livelihood	Mental Health/PSS	Nutrition	Protection	Shelter & NFIs	WASH	Logistics Cluster	

Unique ID	Dissemination Category	Instructions for the Form	Information Need	Type of Question
M0337	Public		Urban or rural setting	optional

Question Text

Typology (Urban/rural)

Response Options

Urban; Rural; do not know/no answer

Preconditions for Data Collection	Recommended Source of information
	N/A

Example of Visualisation	Example of Descriptive Analysis
	% of assessed locations are rural, while y% are urban.

Example of Use that can be done by Data Users (eg, CWG, Cluster)

comparing needs and resources in urban and rural areas

Dataset of Interest for:

		CCCM	Child Protection	Education	Food Security	GBV	Health
Livelihood	Mental Health/PSS	Nutrition	Protection	Shelter & NFIs	WASH		

Unique ID	Dissemination Category	Instructions for the Form	Information Need	Type of Question
M0515	private		Pregnant women (below 18)	optional

Question Text

Number of pregnant women under 18 years

Response Options

[integer]

Preconditions for Data Collection	Recommended Source of information
Agree with Protection if this is useful	service provider

Example of Visualisation	Example of Descriptive Analysis
	number of people with specific needs:

Example of Use that can be done by Data Users (eg, CWG, Cluster)
